

HARVEST FEAST

(Pages 137 to 142)

The **garden furniture** at Jane Pettigrew's harvest feast is by Derek Frost. Made from sandblasted, bleached and stained Douglas Fir, the chair is inset with oyster shells from the beach and costs £310. Items are made to order, with delivery taking about eight weeks. The range currently includes a matching table and cupboard, and Derek is working on other designs. For more details, contact Derek Frost at Morton Yard, Morton Terrace Mews North, London SW1, 071-828 6270.
