Derek Norton Frost b. 1952

Upholstered armchair

An armchair in three colours with three curves: the contrasting shapes and colours combine to make a chair of sculptural form, presenting a different shape, sitting position and personality from each point of view
80.5cm high x 63.5cm wide x 68cm deep
£1935 plus VAT £338.63

"Purity of line conceals much of the complexity of my designs; fine materials, colours and textural juxtapositions overlay their sculptural forms."

Member International Society of Interior Designers
